<p>RAF/4/017 Sustaining Regional Capability in Maintenance and Repair (AFRA IV-4) (Medical Component)</p>	<p>2002-2006 Still has some activities in 2007</p>	<p>Mr. Basheer Al Malieh Ali Radiation and Isotopes Centre P.O. Box 846 Khartoum Sudan</p>	<p>Tel: +249-11 776 905 Fax: +249-11-774179/771993 E-mail: saec@sudanmail.net</p>	<p>2002 (?)</p>
<p>RAF/4/018 Quality Management and Control Using Nuclear and Related Technologies (AFRA IV-9)</p>	<p>2003-2007</p>	<p>Mr. Brahim Baccari Département des sciences Faculté de médecine Université de Tunis Belvédère 1002 Tunis Tunisia</p>		<p>2006</p>

RAF/4/019 Urban air pollution monitoring (AFRA IV-11)	2006-2010	Several nominations received – AFRA-FMC to appoint in July 2007		
RAF/4/020 Nutritional and Health-related Studies Using Research Reactors (AFRA IV-12)	2006-2010	Several nominations received – AFRA-FMC to appoint in July 2007		
RAF/4/021 Strengthening National Facilities for the Maintenance and Repair of Medical and Scientific Instruments (AFRA IV-14)	2008-2011	PSC must be invited		
RAF/5/054 Improvement of livestock productivity through an integrated application of technologies	2005-2008	Dr Naceur Slimane École nationale de médecine vétérinaire (ENMV) Ariana 202 Sidi Thabet Tunisia	Tel.: 00216 71 552200 Fax: 00216 71 552441 Email: slimane.naceur@iresa.agrinet.tn Mobile: 00216 98 317 397	2007

RAF/5/056 Field Evaluation and Dissemination of Improved Crop Varieties Using Mutation Breeding and Biotechnology Techniques (AFRA II-5)	2007-2011	PSC must be invited		
RAF/6/030 Diagnosing Diseases using Clinical Nuclear Medicine, (AFRA II-9)	2006-2010	PSC must be invited		
RAF/6/031 Medical Physics in Support of Cancer Management (AFRA II-8)	2006-2010	Dr. Debbie van der Merwe Johannesburg Hospital University of the Witwatersrand 17 Eton Road 2193 Johannesburg South Africa	Tel.: 0027 11 4812167 27 Fax: 0027 11 6429185 Email: vandermerwedg@medicine.wits.ac.za Mobile: 0027 825687297	2007
RAF/6/032 Promoting regional and national quality assurance programmes for medical physics in nuclear medicine	2005-2009	PSC must be invited		

RAF/6/035 Enhancing Accessibility and Quality in the Care of Cancer Patients (AFRA II-10)	2007-2011	PSC must be invited		
RAF/7/007 Coastal Zone Management, Phase II (AFRA II-11)	2007-2011	PSC must be invited		
RAF/8/033 Radiation Processing for Materials and Environmental Applications (AFRA IV-8)	2002-2006 Still has some activities in 2007	Prof. Raafat Yousri Egyptian Atomic Energy Authority National Centre for radiation Research & Technology (NCRRT) P.O. Box 29, Nasr City Cairo Egypt	Tel.: 202-2746791 Fax: 202 27 49 298 E-mail: rmyousri@hotmail.com	2002 (?)
RAF/8/040 Radioisotope technology for optimizing industrial processes, (AFRA IV-10)	2006-2010	PSC must be invited		

RAF/8/043 Promoting Self-reliance and Sustainability of Non-destructive Testing Facilities (AFRA IV-15)	2007-2011	PSC must be invited		
RAF/8/044 Radiation Processing for Human Health (AFRA IV-16) (RAF/8/044)	2008-2011	PSC has been invited – two nominations received. This is insufficient to appoint a new PSC		
RAF/8/045 Use of Isotopes in Dam Safety and Dam Sustainability (AFRA IV-17)	2007-2011	PSC must be invited		
RAF/9/036 Nuclear Security Implementation Support (AFRA I-5)	2008-2012	PSC must be invited
